imageCLASS D1350 Black & White Laser Multifunction Copier

Heavy-duty Network-ready 4-in-1 with Environmentally Conscious Features

The imageCLASS D1350 is ideal for small and medium businesses that have mid-volume needs for copying, printing, scanning, and faxing.

- **Transmit documents quickly with the Super G3 Fax, including 19 one-touch speed dials, 181 coded dials, and a 512-page fax memory.[1, 2]**
- **Copy or print at the same fast speeds of up to 35 pages per minute. The first copy is printed in less than 8 seconds.[3, 4]**
- **Copy, Print, Scan, or PC fax on both sides of plain paper automatically with All-Mode Duplex.**
- **Store up to 1,050 sheets of plain paper with a standard 500-sheet cassette, 50-sheet multipurpose tray, and an optional 2nd 500-sheet cassette.[5]**

FAX [1] 33.6 kbps

Fax Documents Quickly

Suggest the D1350 to customers who need fax capabilities. Faxes are transmitted quickly thanks to the Super G3 Fax. It includes 19 one-touch speed dials and 181 coded dials. A 512-page fax memory ensures that faxes aren't lost, such as during a loss of power.[1, 2]

35 Black ppm [3] QUICK 1st PRINT [4]

High Performance and Speed

Print reports, charts, and other documents fast at 35 ppm/cpm. Most copy jobs are just one page, and small or medium businesses want their printer to begin copying or printing quickly. The D1350 is ready to operate in just 5 seconds, and the first copy arrives in less than 8 seconds.[3, 4]

Legal-size Platen

Handles Legal-Size Paper with Ease

Scan up to legal-size documents from the platen, great for small and medium businesses with lengthy spreadsheets, for example. The 50-sheet multipurpose tray can handle a variety of paper sizes and stock.[5]

500 SHEET PAPER CASSETTE [5]

Robust Paper Handling

Store up to 1,050 sheets of plain paper in the D1350. The standard paper cassette can hold an entire ream of plain paper, or 500 sheets. For offices with even larger printing volume, an optional 2nd 500-sheet cassette is available. A 50-sheet multipurpose tray is great for other media, such as envelopes.[5]

DUPLEX VERSATILITY

50 Sheets Duplex ADF [5]

All-Mode Duplex

Customers can save time and let the D1350 go to work for them thanks to automatic 2-sided printing, copying, scanning, and printing of received faxes. They can also eliminate one-at-a-time copying or scanning and make double-sided copies automatically with the 50-sheet Duplex ADF.[5]

ENERGY STAR | STARTER CARTRIDGE INCLUDED | SINGLE CARTRIDGE SYSTEM | Ethernet | COLOR SCAN 600×600dpi | 5 Line LCD | Hi-Speed USB | Windows Mac Linux

Mac® OS X 10.4.9 and up
Linux (Print Only)

Environmentally Conscious www.usa.canon.com/green

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Energy Saving Mode** - When the imageCLASS D1350 enters Energy Saving Mode, it has a low power consumption of 2.3 watts of energy.

Do the Math!

Discuss the D1350's robust paper handling to your customers.

Standard Cassette: 500 sheets
Opt. 2nd Cassette: 500 sheets
Multipurpose Tray: 50 sheets

TOTAL: Up to 1,050 sheets of plain paper.

The D1350 is great for small and medium businesses that print a lot and don't want to refill paper trays often.

Why Choose the D1350

Over the Xerox WorkCentre 3325/DNI

- The D1350 takes half the time to warm up and copies the first page of a document 20% faster.
- Improve productivity with a first copy time of less than 8 seconds. Speed is not just about cpm. Most copy jobs are just one page.[4]
- Monitor and control copier usage using password protected Department ID Management.

1 The Public Switched Telephone Network currently supports fax modem speeds of 28.8 Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines.
2 Based on ITU-T #1 Chart (standard mode).
3 Print speed is based on internal testing. Print speed may vary depending on the number of copies selected, as well as the settings for size, type and orientation of paper.
4 Letter size, after being restored from energy saver mode.
5 Based on 20 lb. bond paper.
6 USB 2.0 Hi-Speed performance requires Windows® 7, Windows Vista®, Windows XP/2000 or Mac OS X operating systems. For Windows 98, Me and Mac OS X v. 10.2 to 10.2.6 operating systems, the printer/scanner will operate at USB 1.1 specifications.
7 Wireless network adapter requires optional purchase. Wireless option supports Silex Print and Scan functions only. Compatible with Windows Vista/Server 2003/XP/2000. Not Mac compatible.
8 Warranty program is subject to certain conditions and restrictions. See the warranty card for details.
